VALUE HARDWARE

Catalog

Advantage Plus by Berenson ensures everyone can complete the design of their beautiful home by offering decorative hardware at an affordable price. Coming in a variety of stylish designs including edge pulls and cup pulls, as well as trending finishes such as Champagne and Matte Black, there is something here for everyone. The 12 collections featured in this program come in 3 styles: traditional, contemporary and transitional.

Our assortment of wire pulls can also be found here in Advantage Wire Pulls. They come in a variety of popular finishes as well as four common sizes: 3in., 3 1/2in., 96mm and 4in.

SAMPPLICITY

Free Sample Program

We want to ensure that our customers are confident in their purchase with us, which is why we make ordering samples simple and convenient. Smplicity, our one of a kind sample program, provides more samples than anyone else!

Sample requests can be placed through our website, www.BerensonHardware.com by industry professionals who have a registered account. Samples will be sent directly to the address provided.

BENEFITS

- Order up to 5 samples of Berenson and Advantage Plus by Berenson knobs and pulls of 160mm CC or less **(limit of 1 piece per style)**.
- Free samples also qualify for free shipping! All samples are shipped via USPS mail. **You must have a mail receptacle to receive the package.**
- As a bonus, you can choose to receive a **free sample clip** with your order. This unique clip lets you preview how our hardware looks on your cabinet door or drawer without the commitment of drilling holes. Choose between a 1in. clip, best for doors, or a 3in. clip, best for drawers.

12-BOARD Display Tower

QR CODES

Scan the QR Code to access the Tower Order Form

0012-2000-01

FEATURES:

Measures 19¾in. Width by 85¼in. Height

Holds 12 Display Boards

Rotates 360° for Easy Access

Easy to Assemble

Our 12-board display tower holds six display boards per side, which can easily be taken out to view more information with your customers. Included with each tower are assembly instructions, hardware and tools for assembly.

Our display boards are laid out to visually represent the way hardware can look in the home. Every available finish and multiple center to center lengths are shown so your customer can see all options available for purchase. These boards are made to fit into our display towers.

Additional Display Towers & Display Boards

We have a 36-board display tower also available to purchase (Part Number: 0011-2000-01). Choose display boards from Advantage Plus by Berenson, Berenson and R. Christensen by Berenson for a well rounded display of Berenson's offerings.

We want to provide our customers the most up to date information, using the latest technologies available. The QR codes printed on our display boards and throughout our catalogs work seamlessly with our website and allow access to more information than ever before!

Scan the QR Code above to see this web page!

The QR code on Advantage Plus by Berenson display boards can be scanned using an online QR code scanner or app on a smartphone or tablet. *Please note the camera on some smartphones can also read QR codes.*

When scanned, the QR code will bring up a convenient to use page on our website, with parts from the collection(s) featured on the board grouped by CC length.

This page is just a click away and offers additional information on all parts in the collection, including those not on the display board.
